C F C  
Precious Lord thy mercy come  
G F G C  
By thy word and by thy blood  
F Am C F  
Into the heart of sinful flesh and bone  
Am G F C  
Precious Lord thy mercy come

When in drought thy grace rain down  
When in doubt thy love prove sound  
In the storm thy open arms our home  
Precious Lord thy mercy come

'Twas thy will to walk earth's plight  
And for our sins be crucified  
But no grave could hold God's only son  
Precious Lord thy mercy come

F Am G F Am G  
We'll sing Alleluia, we'll sing Alleluia  
F Am C F  
Father Alleluia  
Am G F C  
Precious Lord thy mercy come

Sinner kneel receive no shame  
Thou art healed and no more to blame  
For the king declares the war is won  
Precious Lord thy mercy come

D G D  
O' joyful day when this life ends  
A G A  
We'll turn our gaze from earth to heaven's

Precious Lord thy mercy come

G Bm A G Bm A
