Faithful One, we lift our praise
Toward your light we turn our gaze
The weight of sin is bearing down
We need your grace to save us now

Faithful One
Faithful One
You never fail, You never fail
You never fail to raise the sun
Faithful One

God of Grace I long to live
By the peace you freely give
When lesser things seduce my eyes
Lord, break my heart and make me wise

Faithful One
Faithful One
You never fail, You never fail
You never fail to raise the sun
Faithful One
Faithful One
You never fail, You never fail
Not my will but yours be done
Faithful One

Ancient love hath brought to bear
Kinship with the royal heir
You broke the bread, you poured the wine
Now I am yours and you are mine
